 - (b) the Insurance Rent;
 - (c) all interest payable under this lease; and
 - (d) all other sums due under this lease.

3. ANCILLARY RIGHTS

- 3.1 Except as mentioned in clause 3.2, neither the grant of this lease nor anything in it confers any right over neighbouring property nor is to be taken to show that the Tenant may have any right over neighbouring property, and section 62 of the LPA 1925 does not apply to this lease.
- 3.2 The grant is made with the benefit of the matters referred to in title SK322738 in so far as the same are still subsisting and benefit the Property.

4. RIGHTS EXCEPTED AND RESERVED

- 4.1 The Landlord reserves the right to enter the Property for any purpose mentioned in or connected with this lease and for any purpose connected with the Landlord's interest in the Property.
- 4.2 The Reservations may be exercised by the Landlord and by anyone else who is or becomes entitled to exercise them, and by anyone authorised by the Landlord.
- 4.3 The Tenant shall allow all those entitled to exercise any right to enter the Property, to do so with their workers, contractors, agents and professional advisors, and to enter the Property at any reasonable time (whether or not during usual business hours) and, except in the case of an emergency, after having given reasonable notice to the Tenant.
- 4.4 No party exercising any of the Reservations, nor its workers, contractors, agents and professional advisors, shall be liable to the Tenant or to any undertenant or other occupier of or person at the Property for any loss, damage, injury, nuisance or inconvenience arising by reason of its exercising any of those Reservations except for:
- (a) physical damage to the Property; or
 - (b) any loss, damage, injury, nuisance or inconvenience in relation to which the law prevents the Landlord from excluding liability.

5. THIRD PARTY RIGHTS

- 5.1 The Tenant shall comply with all obligations on the Landlord relating to the Third Party Rights (insofar as those obligations relate to the Property) and shall not do anything (even if otherwise permitted by this lease) that may interfere with any Third Party Right.

5.2 The Tenant shall allow the Landlord and any other person authorised by the terms of the Third Party Right to enter the Property in accordance with its terms.

6. THE ANNUAL RENT

6.1 The Tenant shall pay the Annual Rent and any VAT in respect of it by twelve equal instalments in advance on or before the Rent Payment Dates. The payments shall be made by banker's standing order or by any other method that the Landlord requires at any time by giving notice to the Tenant.

6.2 The first instalment of the Annual Rent and any VAT in respect of it shall be made on the Rent Commencement Date and shall be the proportion, calculated on a daily basis, in respect of the period beginning on the Rent Commencement Date until the day before the next Rent Payment Date.

7. REVIEW OF THE ANNUAL RENT

7.1 In this clause the **President** is the President for the time being of the Royal Institution of Chartered Surveyors or a person acting on his behalf, and the **Surveyor** is the independent valuer appointed pursuant to clause 7.7.

7.2 The Annual Rent shall be reviewed on the Review Date to equal:

- (a) the Annual Rent payable immediately before the Review Date (or which would then be payable but for any abatement or suspension of the Annual Rent or restriction on the right to collect it) or, if greater;
- (b) the open market rent agreed or determined pursuant to this clause.

7.3 The open market rent may be agreed between the Landlord and the Tenant at any time before it is determined by the Surveyor.

7.4 If the open market rent is determined by the Surveyor, it shall be the amount that the Surveyor determines is the annual rent (exclusive of any VAT) at which the Property could reasonably be expected to be let:

- (a) in the open market;
- (b) at the Review Date;
- (c) on the assumptions listed in clause 7.5; and
- (d) disregarding the matters listed in clause 7.6.

7.5 The assumptions are:

- (a) the Property is available to let in the open market:
 - (i) by a willing lessor to a willing lessee;
 - (ii) as a whole;
 - (iii) with vacant possession;
 - (iv) without a fine or a premium;
 - (v) for a term equal to the unexpired residue of the Contractual Term at the Review Date; and
 - (vi) otherwise on the terms of this lease other than as to the amount of the Annual Rent but including the provisions for review of the Annual Rent, and other than the provision in this lease for a rent-free period and other than clause 24.3;
- (b) the willing lessee has had the benefit of any rent-free or other concession or contribution which would be offered in the open market at the Review Date in relation to fitting out works at the Property;
- (c) the Property may lawfully be used, and is in a physical state to enable it to be lawfully used, by the willing lessee (or any potential undertenant or assignee of the willing lessee) for any purpose permitted by this lease;
- (d) the Tenant has fully complied with its obligations in this lease;
- (e) if the Property or any means of access to it or any Service Media serving the Property, has been destroyed or damaged, it has been fully restored;
- (f) no work has been carried out on the Property that has diminished its rental value;
- (g) any fixtures, fittings, machinery or equipment supplied to the Property by the Landlord that have been removed by or at the request of the Tenant, or any undertenant or their respective predecessors in title (otherwise than to comply with any law) remain at the Property; and
- (h) the willing lessee and its potential assignees and undertenants shall not be disadvantaged by any actual or potential exercise of an option to tax under Part 1 of Schedule 10 to the VATA 1994 in relation to the Property.

7.6 The matters to be disregarded are:

- (a) any effect on rent of the fact that the Tenant or any authorised undertenant has been in occupation of the Property;

- (b) any goodwill attached to the Property by reason of any business carried out there by the Tenant or by any authorised undertenant or by any of their predecessors in business;
- (c) any effect on rent attributable to any physical improvement to the Property carried out after the date of this lease, by or at the expense of the Tenant or any authorised undertenant with all necessary consents, approvals and authorisations and not pursuant to an obligation to the Landlord;
- (d) any effect on rent of any obligation on the Tenant to reinstate the Property to the condition or design it was in before any alterations or improvements were carried out; and
- (e) any statutory restriction on rents or the right to recover them.

7.7 The Surveyor shall be an independent valuer who is a Member or Fellow of the Royal Institution of Chartered Surveyors. The Landlord and the Tenant may, by agreement, appoint the Surveyor at any time before either of them applies to the President for the Surveyor to be appointed. Any application to the President may not be made earlier than three months before the Review Date.

7.8 The Surveyor shall act as an expert and not as an arbitrator. The Surveyor shall determine the open market rent and shall have power to determine any issue involving the interpretation of any provision of this lease, his jurisdiction to determine the matters and issues referred to him or his terms of reference. The Surveyor's decision shall be given in writing, and the Surveyor shall provide reasons for any determination. The Surveyor's written decision on the matters referred to him shall be final and binding in the absence of manifest error or fraud.

7.9 The Surveyor shall give the Landlord and the Tenant an opportunity to make written representations to the Surveyor and to make written counter-representations commenting on the representations of the other party to the Surveyor. The parties will provide (or procure that others provide) the Surveyor with such assistance and documents as the Surveyor reasonably requires for the purpose of reaching a decision.

7.10 If the Surveyor dies, or becomes unwilling or incapable of acting, or unreasonably delays in making any determination, then either the Landlord or the Tenant may apply to the President to discharge the Surveyor and clause 7.7 shall then apply in relation to the appointment of a replacement.

7.11 The fees and expenses of the Surveyor and the cost of the Surveyor's appointment and any counsel's fees, or other fees incurred by the Surveyor shall be payable by the Landlord and the Tenant in the proportions that the Surveyor directs (or if the Surveyor makes no direction, then equally). If either the Landlord or the Tenant does not pay its part of the Surveyor's fees and expenses within ten working days after demand by the Surveyor then:

- (a) the other party may pay instead; and
- (b) the amount so paid shall be a debt of the party that should have paid due and payable on demand to the party that actually made the payment.

The Landlord and the Tenant shall otherwise each bear their own costs in connection with the rent review.

7.12 If the revised Annual Rent has not been agreed by the Landlord and the Tenant or determined by the Surveyor on or before the Review Date, the Annual Rent payable from (and including) the Review Date shall continue at the rate payable immediately before the Review Date. No later than five working days after the revised Annual Rent is agreed or the Surveyor's determination is notified to the Landlord and the Tenant, the Tenant shall pay:

- (a) the shortfall (if any) between the amount that it has paid for the period from the Review Date until the Rent Payment Date following the date of agreement or notification of the revised Annual Rent and the amount that would have been payable had the revised Annual Rent been agreed or determined on or before the Review Date; and
- (b) interest at the Interest Rate on that shortfall calculated on a daily basis by reference to the Rent Payment Dates on which parts of the shortfall would have been payable if the revised Annual Rent had been agreed or determined on or before the Review Date and the date payment is received by the Landlord.

7.13 Time shall not be of the essence for the purposes of this clause.

7.14 If at any time there is a guarantor, the guarantor shall not have any right to participate in the review of the Annual Rent.

7.15 As soon as practicable after the amount of the revised Annual Rent has been agreed or determined, a memorandum recording the amount shall be signed by or on behalf of the Landlord and the Tenant and endorsed on or

attached to this lease and its counterpart. The Landlord and the Tenant shall each bear their own costs in connection with the memorandum.

8. INSURANCE

8.1 Subject to clause 8.2, the Landlord shall keep the Property (other than any plate glass at the Property) insured against loss or damage by the Insured Risks for the full reinstatement cost (taking inflation of building costs into account). The Landlord shall not be obliged to insure any part of the Property installed by the Tenant.

8.2 The Landlord's obligation to insure is subject to:

- (a) any exclusions, limitations, excesses and conditions that may be imposed by the insurers; and
- (b) insurance being available in the London insurance market on reasonable terms acceptable to the Landlord.

8.3 The Tenant shall pay to the Landlord on demand:

- (a) the Insurance Rent;
- (b) any amount that is deducted or disallowed by the insurers pursuant to any excess provision in the insurance policy; and
- (c) any costs that the Landlord incurs in obtaining a valuation of the Property for insurance purposes but not more than once every three years.

If the Landlord insures the Property together with other land, the amount of the Insurance Rent shall be a fair proportion of the total for the Property and the other land.

8.4 The Tenant shall:

- (a) immediately inform the Landlord if any matter occurs that any insurer or underwriter may treat as material in deciding whether or on what terms to insure or to continue to insure the Property and shall give the Landlord notice of that matter;
- (b) not do or omit anything as a result of which any policy of insurance of the Property or any neighbouring property may become void or voidable or otherwise prejudiced, or the payment of any policy money may be withheld, nor (unless the Tenant has previously notified the Landlord and has paid any increased or additional premium) anything as a result of which any increased or additional insurance premium may become payable;

- (c) comply at all times with the requirements of the insurers relating to the Property;
- (d) give the Landlord immediate notice of the occurrence of any damage or loss relating to the Property arising from an Insured Risk or of any other event that might affect any insurance policy relating to the Property;
- (e) not effect any insurance of the Property (except any plate glass at the Property), but if it becomes entitled to the benefit of any insurance proceeds in respect of the Property (other than in respect of plate glass) pay those proceeds or cause them to be paid to the Landlord; and
- (f) pay the Landlord an amount equal to any insurance money that the insurers of the Property refuse to pay by reason of any act or omission of the Tenant or any undertenant, their workers, contractors or agents or any person at the Property with the actual or implied authority of any of them.

8.5 The Landlord shall, subject to obtaining all necessary planning and other consents, use all insurance money received (other than for loss of rent) to repair the damage for which the money has been received or (as the case may be) in rebuilding the Property. The Landlord shall not be obliged to:

- (a) provide accommodation identical in layout or design so long as accommodation reasonably equivalent to that previously at the Property is provided; or
- (b) repair or rebuild if the Tenant has failed to pay any of the Insurance Rent; or
- (c) repair or rebuild the Property after a notice has been served pursuant to clause 8.7 or clause 8.8.

8.6 If the Property is damaged or destroyed by a risk against which the Landlord is obliged to insure so as to be unfit for occupation and use then, unless the policy of insurance of the Property has been vitiated in whole or in part in consequence of any act or omission of the Tenant, any undertenant or their respective workers, contractors or agents or any other person on the Property with the actual or implied authority of any of them, payment of the Annual Rent, or a fair proportion of it according to the nature and extent of the damage, shall be suspended until the Property has been reinstated and made fit for occupation and use, or until the end of three years from the date of damage or destruction, if sooner.

8.7 If, following damage to or destruction of the Property, the Landlord reasonably considers that it is impossible or impractical to reinstate the Property, the Landlord may terminate this lease by giving notice to the

Tenant. On giving notice this lease shall determine but this shall be without prejudice to any right or remedy of the Landlord in respect of any breach of the tenant covenants of this lease. Any proceeds of the insurance (other than any insurance for plate glass) shall belong to the Landlord.

- 8.8 Either party may terminate this lease by giving notice to the other if, following damage or destruction by an Insured Risk, the Property has not been reinstated so as to be fit for occupation and use within three years after the date of damage or destruction. On giving this notice this lease shall determine but this shall be without prejudice to any right or remedy of either party in respect of any breach of the tenant covenants of this lease. Any proceeds of the insurance (other than any insurance for plate glass) shall belong to the Landlord.

9. RATES AND TAXES

- 9.1 The Tenant shall pay all present and future rates, taxes and other impositions and outgoings payable in respect of the Property, its use and any works carried out there, except:
- (a) any taxes payable by the Landlord in connection with any dealing with or disposition of the reversion to this lease; or
 - (b) any taxes, other than VAT and insurance premium tax, payable by the Landlord by reason of the receipt of any of the rents due under this lease.
- 9.2 The Tenant shall not make any proposal to alter the rateable value of the Property or that value as it appears on any draft rating list, without the approval of the Landlord.
- 9.3 If, after the end of the term, the Landlord loses rating relief (or any similar relief or exemption) because it has been allowed to the Tenant, then the Tenant shall pay the Landlord an amount equal to the relief or exemption that the Landlord has lost.

10. UTILITIES

- 10.1 The Tenant shall pay all costs in connection with the supply and removal of electricity, gas, water, sewage, telecommunications, data and other services and utilities to or from the Property.
- 10.2 If any of those costs are payable in relation to the Property together with other property, the Tenant shall pay a fair proportion of all those costs.

- 10.3 The Tenant shall comply with all laws and with any recommendations of the relevant suppliers relating to the use of those services and utilities.

11. COMMON ITEMS

The Tenant shall pay the Landlord on demand a fair proportion of all costs payable for the maintenance, repair, lighting, cleaning and renewal of all Service Media, structures and other items used or capable of being used by the Property in common with other property.

12. VAT

- 12.1 All sums payable by the Tenant are exclusive of any VAT that may be chargeable. The Tenant shall pay VAT in respect of all taxable supplies made to it in connection with this lease on the due date for making any payment or, if earlier, the date on which that supply is made for VAT purposes.

- 12.2 Every obligation on the Tenant, under or in connection with this lease, to pay the Landlord or any other person any sum by way of a refund or indemnity, shall include an obligation to pay an amount equal to any VAT incurred on that sum by the Landlord or other person, except to the extent that the Landlord or other person obtains credit for such VAT under the Value Added Tax Act 1994.

13. DEFAULT INTEREST AND INTEREST

- 13.1 If any Annual Rent or any other money payable under this lease has not been paid by the date it is due, whether it has been formally demanded or not, the Tenant shall pay the Landlord interest on that amount at the Default Interest Rate (both before and after any judgment). Such interest shall accrue on a daily basis for the period beginning on the due date to and including the date of payment.

- 13.2 If the Landlord does not demand or accept any Annual Rent or other money due or tendered under this lease because the Landlord reasonably believes that the Tenant is in breach of any of the tenant covenants of this lease, then the Tenant shall, when that amount is accepted by the Landlord, also pay interest at the Interest Rate on that amount for the period beginning on the date the amount (or each part of it) became due until the date it is accepted by the Landlord.

14. COSTS

- (a) a condition that if reasonably required by the Landlord the assignor enters into an authorised guarantee agreement which:
 - (i) is in respect of all the tenant covenants of this lease;

 - (v) is otherwise in a form reasonably required by the Landlord;
- (b) a condition that if reasonably required by the Landlord a person of standing acceptable to the Landlord enters into a guarantee and indemnity of the tenant covenants of this lease in such form as the Landlord may reasonably require.

18.4 The Landlord and the Tenant agree that for the purposes of section 19(1A) of the Landlord and Tenant Act 1927 the Landlord may refuse its consent to an assignment if any of the following circumstances exist at the date of the Tenant's application for consent to assign this lease:

SCHEDULE OF WORKS

(As referred to in clause 24.3)

1. Guttering to the rear of the property is full of vegetation and overflowing causing significant dampness to external walls particularly at low level where dampness is evident internally. Access to some of this guttering will be via the adjoining property permission for which will have to be obtained.
2. There is a small single storey extension within the well area of the adjoining property with a flat roof upon which the condensers are placed. Whilst not leaking the roof covering appears to have been patch repaired. A detailed inspection is warranted and you should allow for either repair or possibly complete recovering of the roof prior to the provision of new condensers to the air conditioning. Access for the maintenance of such condensers is via the adjoining property. It is unclear whether there is any defined access provision or whether this is just by agreement.
3. Stucco work to the front elevation requires redecoration including windows and window frames and cills. There are cracks within the stucco work and there is also vegetation within the cornice at abutment with the adjoining property. In my view, full scaffolding should be provided but if it is, in view of the location and the narrow pavement etc early consultation may be required with the Highways Authority.
4. Timber windows to the rear are in very poor condition with extensive wet rot within cills and replacement of some opening casements is warranted prior to external redecoration which should be undertaken at an early date.
5. Brick walls to the rear are of solid construction and many are spalled and some will require cutting out and replacing in order to preclude water ingress.
6. There is dampness within the base of walls and in particular that within the small store area to the rear (under shelving) and also to the base of the fire escape staircase abutting the left hand reveal of the fire exit door. There is also peeling lining paper at high level within the staircase enclosure reflecting the extensive dampness noted externally at the intersection between the flank wall and the rear main wall. A lot of the dampness is relating to blocked guttering as previously reported. These areas will require drying out prior to plaster repairs and may require consideration of a chemical damp proof course and associated re-plastering or re-rendering.
7. The kitchen units within the kitchen at first floor level are in poor condition and require either substantial repair or complete replacement.
8. Obviously the bespoke fitting out of the previous tenant including entrance counter within the shop area require removal and replacement and please note there is an extremely heavy metal safe within this area which will require removal.
